## Asphalt Art Project

Midtown KC now requesting local artist applications to do an asphalt mural in Westport to aid in traffic calming. Four curb areas at the intersection of Westport Rd. and Wyandotte St. will be the canvas for this project.

## Mobility Hubs

To solve the on going issue of the popular E-scooters, we designed and built these "Mobility Hubs" with the city of Kansas City, MO. Located at 19th & Baltimore, 18th & Oak and 13th & Grand, you'll find ample on street parking for E-scooters and bicycles.
